# EQUESTRIAN

wherever  
you ride

USA 2020//2021 ENGLISH

protecting people

# wherever you ride

A uvex riding helmet is the perfect headgear for dressage, show jumping, or cross-country. Training, eventing, or leisurely hacking. Whether you opt for a traditional or more fashionable style, every uvex riding helmet offers a sophisticated design, high-quality finish, superior ventilation, and, of course, unbeatable safety. For exceptional protection – 24/7, 365 days of the year – uvex is the go-to choice. Wherever you ride.

# uvex meets MIPS

When falling, the human brain can be exposed to strong rotational movements due to an oblique impact. The innovative height-adjustable MIPS (Multi-Directional Impact Protection System) cage – built into a uvex riding helmet for the first time ever – offers extensive protection.

## uvex crx700 winter gloves

A glove for the stormy season and an all-rounder in the stable. Thanks to the Schoeller® soft-shell material with wind-repellent, water-repellent, and heat-retaining properties, the glove is a breathable and warming companion between seasons. The use of 4D stretch and abrasion-resistant PU material on the palm also ensures an excellent riding experience.

### Features

- 4D Stretch
- Reinforced
- Reflective print
- Abrasion resistant
- Excellent grip
- Touch screen capable
- Breathable
- Thermal insulation
- Moisture control
- Water repellent
- Wind repellent
- Washable (30°C)

### Material

- Backhand: Soft shell (43% polyester, 36% polyamide, 13% polyurethane, 8% elastane)
- Palm: 60% polyurethane, 40% nylon
- Tricot: 100% nylon
